RULE NUMBERS

IV-9. Margin Eligible Assets dated March 13, 2013.

DESCRIPTION

This amendment to Cantor Clearinghouse, L.P.’s (“Clearinghouse”) Rule IV-9 removes “United States Treasury securities” from the list of types of assets that Participants may provide to meet their margin requirements. This removal clarifies that Participants are only allowed to use cash on deposit at the Clearinghouse (or other assets that may be designated by the Clearinghouse in the future) to meet their margin obligations. This rule change is consistent with Cantor’s Board of Directors’ intent that all Participant collateral be on deposit at the Clearinghouse in the form of cash.
